

Mayor of Worthing's Talent Show

Does Findon have talent?! Of course it does – but are you brave enough to share it whilst raising money for three local charities???

Local charity, Andy's Angels, has been selected to be one of the Mayor of Worthing's Charities for 2024 and in support of this our Youth Ambassadors are organising a talent show. This is open to everyone – any age or talent! The other charities this event will be supporting are West Sussex MIND and Friends of Palatine School.

We are looking for bands, individuals or groups to perform in the talent show and are inviting adults or children of any age to join us on stage. So, if you know anyone who would like to perform, please email info@andysangels.org.uk to express your interest.

If you would like to submit a video that we can have a look at please send this over to info@andysangels.org.uk by WeTransfer [WeTransfer | Send Large Files Fast - Up To 2GB Free](#) by 27th October.

Andy's Angels is a local charity set up to support children and their adults after the loss of a close family member. We provide a cafe and play space for children and adults to come together in a calm and inclusive environment and meet others going through a similar situation on their grief journey. This is free to our families and requires no pre booking or ongoing commitment – we are simply there for whenever we are needed. If you would like any more details as to the work we do to support local children and their adults please do not hesitate to get in contact or watch our video: <https://youtu.be/yPr6yF0sE2M>
