Bereavement Counselling

H. D. Tribe Ltd are pleased to announce a new bereavement counselling service.

As funeral directors, we see and understand the challenges that people can face after losing a loved one, and are very proud to be able to offer this new additional support.

We offer 6 face to face sessions as a free service with our fully qualified and accredited counsellor.

We will also be introducing a new bereavement group where people can safely share their experiences and responses to grief, and gain comfort and reassurance to help them in their new way of life.
